

Christ My All In All

written by Rory Heaton

Verse 1:

My feelings fade from day to day
But I know One who always stays the same
So when the ground begins to shake
My trust is in the One who will not change

Pre-Chorus:

He has said He's faithful to the end
He has shown He'll never fail

Chorus:

On Christ the solid rock I'll stand
All other ground is sinking, sinking sand
My hope is built on nothing less
Than Jesus blood and all His righteousness

Verse 2:

When darkness falls and day is through
I'll teach my soul to cling to what is true
So when I'm caught in raging waves
I'm anchored by His firm and steadfast grace

Bridge:

For me, my one and only hope
Christ the Lord of all, Christ my all in all
For He has overcome the world
Christ the Lord of all, Christ my all in all
