

Connect Group Study following the talk on Sunday 23rd January 2022

Read Luke 10:5-16

Opener

What's an encouraging story you've heard recently about God at work?

Focused Questions

In small groups, what's the most puzzling thing about this passage?
(As in what don't you understand) try to help answer each other.

On Sunday, Tim spoke about us being messengers for God. In small groups again look through the passage and find the verses that show we are messengers. What do they tell us about our message? (Eg verses 5, 9, 10, 16)

In Vs9 Jesus tells the 72 to meet the needs of the people they go to as they 'Heal the Sick'. What needs can you meet for those you know? Do you see people as being in need?

Read Vs 9 and 16. What do they tell you about the authority Jesus gives us as we go?

Jesus commands the 72 to seek out people of peace. Who are the people of peace in your life? (People who are open, welcoming to you)

Who are you praying for to become a Christian?
