

Holy Is The Christ

written by Rory Heaton

Verse 1:

What mind could believe
The endless riches of His love
Set apart from all this world could offer us
What heart could behold
The gracious mercy of our God
In sending us His own beloved Son

Chorus:

Holy
Holy
Holy is the Christ
Who reigns forevermore

Verse 2:

Salvation He won
A once-forever sacrifice
A wondrous gift that we were never worthy of
In triumph He rose
With death forever overcome
He's matchless in His power and His worth

Verse 3:

We long for the day
When justice roams throughout the earth
And heavy hearts and sorrowed tears will be no more
For Christ will return
In holiness and majesty
The glorious King who'll come to claim His righteous throne
So with the angels we will lift up our eternal song

Bridge:

Christ has died
Now Christ's a - live
Christ will come again
To reign forevermore
