

How Sure

written by Rory Heaton

Verse 1:

Even in the darkest night
I will fear no evil thing
Even when my hope seems lost
I know You are here with me
You care for me, oh I believe
Your presence, Lord, is all I need

Chorus:

How sure! Your goodness and love will endure
How sure! Your mercies are new every morn
Great is Your faithfulness
How sure! You're with us behind and before
How sure! Your grace has the power to restore
Surely Your goodness and mercy
Faithfully follow me all my days

Verse 2:

Lead me by the still waters
You alone refresh my soul
Guide me in Your righteousness
Let all my life be to Your praise
Your will, O Lord, is what I seek
Your ways, so high, will comfort me

Bridge:

In every trial, in every place
I stand secure upon Your promises
My confidence, Your faithfulness
How sure and certain are Your promises
