

I Seek Your Face

Written by Ben Heys, Reema Shinhmar, Rory Heaton, Tom McConnell

Verse 1:

Lord I've been striving
I've been stumbling through the dark
In all my searching
I'm still lost without You God
Help me see clearly
Let all distraction fade away
As I lift my eyes to You

Chorus:

I seek Your face
I seek Your face
Before anything else I do
Before anything else I do

Verse 2:

Your light has no bounds
And Your glory fills the skies
Oh Lord where You are
There is fullness, there is life
Maker of heaven
Yet You have drawn so near to me
As I stand in awe of You

Bridge:

How good it is to know You
And be known by You
How good it is to love You
And be loved by You
