## **Verse 1:**

Come to the Father, fall at His feet  
Seeking His grace, needing His open-armed embrace  
He calls us beloved, His daughters and sons  
Adopted and known, given a future and a hope

## **Chorus:**

We say thank You  
God we thank You for Your love  
We say thank You  
For Your love

## **Intro:**

## **Verse 2:**

Look to the Saviour nailed to that cross  
Shedding His blood, becoming a sacrifice for us  
So now we're forgiven, and now we're redeemed  
Our debt has been paid all because Jesus took our place

## **Chorus: x2**

## **Verse 3:**

Come Holy Spirit, open our eyes  
Show us again the beautiful mercy of our God  
For while we were sinners, Christ died for us  
Our story Your grace, now we are reconciled and saved  
Our story Your grace, forever our hearts will bring You praise

## **Chorus: x2**
