

# Take Me Back

*Written by Ben Heys*

## **Verse:**

There's nothing I can do  
To earn the love from You  
I simply need to be  
The child that You've made me

## **Chorus:**

Take me back, Lord  
Back to the start  
Take me back  
To where I found You  
Take me back, Lord  
Back to Your heart  
Take me back to love

## **Bridge:**

You are all I want  
You are all I need  
You're my everything  
Everything to me
