

Unto His Name

written by Rory Heaton

Verse 1:

God of heaven, God of man
God before all time began
God who put the stars in place
All glory be unto His name

Verse 2:

God of perfect promises
God of endless faithfulness
God who knows my every pain,
All glory be unto His name

Chorus:

Amen, amen
It's Him alone we're lifting high
Amen, amen
Let God alone be glorified

Verse 3:

God of mercy, God of grace
God whose Son stands in my place
Christ who says my debt is paid
All glory be unto His name

Verse 4:

God whose love will never cease
God who reigns eternally
God whose Spirit lives in me
All glory be unto His name

Bridge:

Sing hallelujah
Sing hallelujah
Sing hallelujah
All glory be unto His name
