

Your Love Endures Forever

written by Rory Heaton

Verse 1:

Who goes beyond the ends of time?
Who makes the sun rise in the sky?
Whose love is deeper than the sea?
What a friend You are to me
What a friend You are to me

Chorus:

God Your love endures forever
Forever, amen
God Your love endures forever
Forevermore, amen

Verse 2:

Who calls my name so joyfully?
Who made a way so I am free?
Who never fails me in my need?
What a friend You are to me
What a friend You are to me

Bridge:

So so high, so so wide
God Your love goes further still
So so deep, so so true
God Your love is faithful too
