

Why Is God Good News In Overcoming Racism?

Jago Wynne

Discussion Questions

1. Look at Luke 18:9-14. How does the Pharisee “other” the Tax Collector in the parable? How are we guilty of “othering” others to justify ourselves?
2. What have you learnt about racism and about yourself in the last weeks since George Floyd’s killing?
3. How might you be actively anti-racism - but from a place of dependent hope on God, rather than from a place of judgemental moral superiority? How does the Tax Collector help you think this through?
